Hi Mark:

I just wanted to say "Thank You" for taking such great care of my personal needs and credit collection letters. Your professionalism and experience certainly makes you shine above the other competitors in your field.

Although we are fortunate to only have a few credit collection issues, your letters for those few appeared to generate the desired results. That is always great!

And your preparation of new Wills and Trusts gives us a sense of peace knowing that everything will be taken care of at the appropriate time.

Regardless of what business we are in, remember the saying that products (properties), pricing (negotiations) and discounts (concessions) will always change. But long-term relationships should last a lifetime!! And I look forward to continuing that long-term relationship with you.

Again, it is an absolute pleasure working with somebody of your caliber that provides a "first class" service. Thanks again and rest assured that I will be recommending your service to others.

Sincerely,

A handwritten signature in blue ink that reads "Patrick K. Comeaux".
