Re: Endorsement

Dear Marc:

Dealing with a true professional especially when it comes to certain life transitions is a blessing. Who would think that new beginnings and endings in life would demand so many details?

Starting a new business is a very anxious and happy time for many, but planning for life after your passing is not. Thanks to you, dealing with both was easy and painless. You handled both situations very professionally and made it very easy for my wife and me to deal with. In handling the wills we only had to visit your office twice, answer the necessary questions, and you took care of the rest. In handling the LLC status, not only did you make me aware that my company was not complete in a legal sense, but you also handled the rest without interruption to my work schedule which was greatly appreciated.

A true caring professional is hard to find. It is with the knowledge of your work that I will confidently refer you to my friends, family, and customers in the future.

Thank you for your help in our life's transitions.

Sincerely

Jon LaMonte
